Welcome to the programme of the 2019 Dartmoor Walking Festival!

The first ever Dartmoor Walking Festival in 2016 was a great success and the very positive feedback really supported the idea of it becoming an annual event, which is absolutely fabulous. Consequently Moorland Guides ran it again in 2017 and 2018 during the same week and the public voted with their feet – literally – now it seems the Festival is here to stay!

The 2019 event will be held from Saturday 24th August until Sunday 1st September inclusive: the last Bank Holiday week of the summer. This year we are teaming up with the Devon Air Ambulance Trust charity for a second time as the focus for most of our fundraising. All the events in this year’s Festival will be £5 per event for everyone. That £5 will go to the Air Ambulance charity or another charity nominated by the guides, such as the Military Services Charity or Donate to Dartmoor.

In 2018 the festival raised over £1000 for the Air Ambulance and also Donate to Dartmoor. As before we will be putting on several events each day during the nine-day Festival ranging from modest guided strolls and children’s rambles to full day walks and ambitious challenges! There really will be something for everyone including eight ‘accessible’ events for the less mobile in partnership with the Disabled Ramblers Association. This year we ask that you book for every event so the guide knows how many to expect. Details of the guide are shown in each walk entry, so please book directly with them.

Director of Moorland Guides

Thank you to all our advertisers who have supported us this year in producing this programme.

**Please keep a close watch during the week on our Festival website at www.dartmoorwalkingfestival.co.uk where we are quickly able to update events if last-minute changes are necessary. More comprehensive details and descriptions of each walk can also be found on the website.**

Some events are dog-friendly but not all, so do please take care to ensure you read the details of each event carefully. Likewise, all the guides need you to book in advance for their events and this is clearly stated in the programme. Each event has the details of the leader and contact details in case of any questions you may have. **Advance booking is required for all walks.**

It is important that you come properly dressed for the conditions and prevailing weather. Guides have the right to decline taking anyone on an event if they feel that welfare or safety is compromised for any reason.

For the purpose of costs for walks, ‘children’ are under 16 years of age. Some of the car parks within the National Park charge a fee so come with a few pound coins just in case.

This year has really started with a lot of highlights for your Air Ambulances:

- The 100th Community Landing Site opened
- We airlifted our 100th patient at night
- We flew our 27,000th mission
- Our flying hours increased to 2am
- We were named in The Sunday Times top 100 not-for-profit companies to work for
- We also appeared in the top 75 companies to work for in the South West

We’re not sure how we can top any of the above but none of them would have been possible without you and your support, thank you!

What’s next?
Next year will see the arrival of our new Airbus 145 aircraft, which will be based in Exeter.

Our Exeter aircraft will move to our North Devon base, and the aircraft in North Devon will be sold.

Welcome to Dartmoor National Park – all 368 square miles of it. From its striking granite tors and steep wooded river valleys, to swathes of heather-covered moorland and hidden villages, Dartmoor is a land of contrasts.

Whether as a quick visit when you’re staying elsewhere in Devon (although we know you’ll come back for moor soon!) or as a longer stay on Dartmoor itself, our travel information shows how the fantastic links to main highways, train network, international airport and cross channel ferry terminals make it easy to get here.

We recommend starting your trip on Dartmoor by visiting one of our award-winning Visitor Centres. Our friendly and knowledgeable local staff can assist with making the most of your time on Dartmoor.

Wide, spectacular open vistas are a Dartmoor speciality but there is so much more to do here! Whether it’s a gentle stroll, an exhilarating mountain bike ride or a visit to a castle, you’ll discover walking options, activities and locations on your Dartmoor doorstep.

Dartmoor National Park is delighted to be able to support the Dartmoor Walking Festival again this year by having our Rangers and other staff providing walks and events for all the family.

Dartmoor 365

Dartmoor 365 by John Hayward lists every square with an OS grid reference (the 1:25,000 Outdoor Leisure OL28 OS map is best) and something of interest in every square. It is a major task visiting them all, but why not give it a go? You will learn so much about the moor and have great fun on the way. The book is available from Dartmoor National Park shops as well as local retailers. Join their Facebook page at Dartmoor 365. Over 9,000+ followers can’t be wrong!!

We include, for any avid ‘365ers’, the map on the left with the 365 Grid overlaid for you to plot your Festival walks in conjunction with your 365 book.
